15 section within sixty (60) days of the filing date of that motion, and shall enter its
16 ruling within ten (10) days after considering the motion. The defendant may, in the

20 Board. The comprehensive sex offender presentence evaluation shall provide to the
21 court a recommendation related to the risk of a repeat offense by the defendant and
22 the defendant's amenability to treatment, and shall be considered by the court in

 16 institution pursuant to administrative regulations of the Department of Corrections.

17 Section 48. KRS 533.030 is amended to read as follows:

18 (1) The conditions of probation and conditional discharge shall be such as the court, in
 19 its discretion, deems reasonably necessary to insure that the defendant will lead a
 20 law-abiding life or to assist him to do so. The court shall provide as an explicit
 21 condition of every sentence to probation or conditional discharge that the defendant
 22 not commit another offense during the period for which the sentence remains
 23 subject to revocation.

24 (2) When imposing a sentence of probation or conditional discharge, the court may, in
 25 addition to any other reasonable condition, require that the defendant:

26 (a) Avoid injurious or vicious habits;

27 (b) Avoid persons or places of disreputable or harmful character;

- 1 (c) Work faithfully at suitable employment as far as possible;
- 2 (d) Undergo available medical or psychiatric treatment and remain in a specific
- 3 institution as required for that purpose;
- 4 (e) Post a bond, without surety, conditioned on performance of any of the
- 5 prescribed conditions;
- 6 (f) Support his dependents and meet other family responsibilities;
- 7 (g) Pay the cost of the proceeding as set by the court;
- 8 (h) Remain within a specified area;
- 9 (i) Report to the probation officer as directed;
- 10 (j) Permit the probation officer to visit him at his home or elsewhere;
- 11 (k) Answer all reasonable inquiries by the probation officer and promptly notify
- 12 the probation officer of any change in address or employment; and
- 13 (l) Submit to periodic testing for the use of controlled substances or alcohol, if
- 14 the defendant's record indicates a controlled substance or alcohol problem,
- 15 and to pay a reasonable fee, as determined by the court, which fee shall not
- 16 exceed the actual cost of the test and analysis and shall be paid directly to the
- 17 agency or agencies responsible for testing and analysis as compensation for
- 18 the cost of the testing and analysis, as specified by written order of the court,
- 19 performed under this subsection. For good cause shown, the testing fee may
- 20 be waived by the court.
- 21 (3) When imposing a sentence of probation or conditional discharge in a case where a
- 22 victim of a crime has suffered monetary damage as a result of the crime due to his
- 23 property having been converted, stolen, or unlawfully obtained, or its value
- 24 substantially decreased as a result of the crime, or where the victim suffered actual
- 25 medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of
- 26 the crime, or where the victim incurred expenses in relocating for the purpose of
- 27 the victim's safety or the safety of a member of the victim's household, or if as a

1 direct result of the crime the victim incurred medical expenses that were paid by the
2 Cabinet for Health and Family Services, the Crime Victims Compensation Board,
3 or any other governmental entity, the court shall order the defendant to make
4 restitution in addition to any other penalty provided for the commission of the
5 offense. Payment of restitution to the victim shall have priority over payment of
6 restitution to any government agency. Restitution shall be ordered in the full amount
7 of the damages, unless the damages exceed one hundred thousand dollars
8 (\$100,000) or twice the amount of the gain from the commission of the offense,
9 whichever is greater, in which case the higher of these two (2) amounts shall be
10 awarded. The court may, in lieu of ordering monetary restitution, order the
11 defendant to make restitution by working for or on behalf of the victim. The court
12 shall determine the number of hours of work necessary by applying the then-
13 prevailing federal minimum wage to the total amount of monetary damage caused
14 by or incidental to the commission of the crime. The court may, with the consent of
15 the agency, order the defendant to work as specified in KRS 533.070. Any work
16 ordered pursuant to this section shall not be deemed employment for any purpose,
17 nor shall the person performing the work be deemed an employee for any purpose.
18 Where there is more than one (1) defendant or more than one (1) victim, restitution
19 may be apportioned. Restitution shall be subject to the following additional terms
20 and conditions:

- 21 (a) Where property which is unlawfully in the possession of the defendant is in
22 substantially undamaged condition from its condition at the time of the taking,
23 return of the property shall be ordered in lieu of monetary restitution;
- 24 (b) The circuit clerk shall assess an additional fee of five percent (5%) to defray
25 the administrative costs of collection of payments or property. This fee shall
26 be paid by the defendant and shall inure to a trust and agency account which
27 shall not lapse and which shall be used to hire additional deputy clerks and

1 office personnel or increase deputy clerk or office personnel salaries, or
2 combination thereof;

3 (c) When a defendant fails to make restitution ordered to be paid through the
4 circuit clerk or a court-authorized program run by the county attorney or the
5 Commonwealth's attorney, the circuit clerk or court-authorized program shall
6 notify the court; and

7 (d) An order of restitution shall not preclude the owner of property or the victim
8 who suffered personal physical or mental injury or out-of-pocket loss of
9 earnings or support or other damages from proceeding in a civil action to
10 recover damages from the defendant. A civil verdict shall be reduced by the
11 amount paid under the criminal restitution order.

12 (4) When requiring fees for controlled substances or alcohol tests, or other fees and
13 payments authorized by this section or other statute, except restitution, to be paid by
14 the defendant, the court shall not order the payments to be paid through the circuit
15 clerk.

16 (5) When a defendant is sentenced to probation or conditional discharge, he shall be
17 given a written statement explicitly setting forth the conditions under which he is
18 being released.

19 (6) When imposing a sentence of probation or conditional discharge, the court, in
20 addition to conditions imposed under this section, may require as a condition of the
21 sentence that the defendant submit to a period of imprisonment in the county jail or
22 to a period of home incarceration at whatever time or intervals, consecutive or
23 nonconsecutive, the court shall determine. The time actually spent in confinement
24 or home incarceration pursuant to this provision shall not exceed twelve (12)
25 months or the maximum term of imprisonment assessed pursuant to KRS Chapter
26 532, whichever is the shorter. Time spent in confinement or home incarceration
27 under this subsection shall be credited against the maximum term of imprisonment

1 assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional
 2 discharge is revoked and the defendant is sentenced to imprisonment. Any
 3 prohibitions against probation, shock probation, or conditional discharge under
 4 KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor
 5 or Class D felony and sentenced to a period of confinement or home incarceration
 6 under this section.

7 Section 49. KRS 533.250 is amended to read as follows:

8 (1) A pretrial diversion program shall be operated in each judicial circuit. The chief
 9 judge of each judicial circuit, in cooperation with the Commonwealth's Attorney,
 10 shall submit a plan for the pretrial diversion program to the Supreme Court for
 11 approval on or before December 1, 1999. The pretrial diversion program shall
 12 contain the following elements:

13 (a) The program may be utilized for a person charged with a Class D felony
 14 offense who has not, within ten (10) years immediately preceding the
 15 commission of this offense, been convicted of a felony under the laws of this
 16 state, another state, or of the United States, or has not been on probation or
 17 parole or who has not been released from the service of any felony sentence
 18 within ten (10) years immediately preceding the commission of the offense.

19 (b) The program shall not be utilized for persons charged with offenses for which
 20 probation, parole, or conditional discharge is prohibited under KRS 532.045.

21 (c) No person shall be eligible for pretrial diversion more than once in a five (5)
 22 year period.

23 (d) No person shall be eligible for pretrial diversion who has committed a sex
 24 crime as defined in Section 5 of this Act. A person who is on pretrial
 25 diversion on the effective date of this Act may remain on pretrial diversion if
 26 the person continues to meet the requirements of the pretrial diversion and
 27 the registration requirements of Section 6 of this Act.

1 (e) Any person charged with an offense not specified as precluding a person from
 2 pretrial diversion under paragraph (b) of this subsection may apply in writing
 3 to the trial court and the Commonwealth's attorney for entry into a pretrial
 4 diversion program.

5 ~~(d)(e)~~ Any person shall be required to enter an Alford plea or a plea of guilty
 6 as a condition of pretrial diversion.

7 (2) The Commonwealth's attorney shall make a recommendation upon each application
 8 for pretrial diversion to the Circuit Judge in the court in which the case would be
 9 tried. The court may approve or disapprove the diversion.

10 (3) The court shall assess a diversion supervision fee of a sufficient amount to defray
 11 all or part of the cost of participating in the diversion program. Unless the fee is
 12 waived by the court in the case of indigency, the fee shall be assessed against each
 13 person placed in the diversion program. The fee may be based upon ability to pay.

14 Section 50. KRS 605.090 is amended to read as follows:

15 (1) Unless precluded by law, any child committed to the Department of Juvenile Justice
 16 or the cabinet may by the decision of the Department of Juvenile Justice or the
 17 cabinet or its designee, at any time during the period of his commitment, be:

18 (a) Upon fourteen (14) days' prior written notice to the court, discharged from
 19 commitment. Written notice of discharge shall be given to the committing
 20 court and to any other parties as may be required by law;

21 (b) Placed in the home of the child's parents, in the home of a relative, a suitable
 22 foster home, or boarding home, upon such conditions as the Department of
 23 Juvenile Justice or the cabinet may prescribe and subject to visitation and
 24 supervision by a social service worker or juvenile probation and parole
 25 officer.

26 1. At the time a committed child is placed in the home of his parents by the
 27 Department of Juvenile Justice or the cabinet, the parents shall be

1 informed in writing of the conditions of the placement and the criteria
2 that will be used to determine whether removal is necessary.

3 2. At the time a committed child is placed anywhere other than the home of
4 the child's parents, the cabinet or the Department of Juvenile Justice
5 shall inform the foster home, the relative, or the governing authority of
6 any private facility or agency in which the child has been placed whether
7 the minor placed is a juvenile sexual offender as defined in KRS
8 635.505(2) or of any inappropriate sexual acts or sexual behavior by the
9 child specifically known to the cabinet or Department of Juvenile
10 Justice, and any behaviors of the child specifically known to the cabinet
11 or Department of Juvenile Justice that indicate a safety risk for the
12 placement. Information received by any private facility or agency under
13 this paragraph shall be disclosed immediately and directly to the
14 individual or individuals who have physical custody of the child.

15 3. If, after a placement is made, additional information is obtained by the
16 cabinet or the Department of Juvenile Justice about inappropriate sexual
17 behavior or other behavior of the committed child that may indicate a
18 safety risk for the placement, the cabinet or the Department of Juvenile
19 Justice shall as soon as practicable, but no later than seventy-two (72)
20 hours after the additional information is received, inform the foster
21 parent, relative, or private facility or agency. Additional information
22 received by any private facility or agency shall be disclosed immediately
23 and directly to the individual or individuals who have physical custody
24 of the child.

25 4. Information disclosed under this paragraph shall be limited to the acts or
26 behaviors of the committed child and shall not constitute a violation of
27 confidentiality under KRS Chapter 610 or 620. No foster parent,

relative, or other person caring for a committed child shall divulge the information received under this paragraph to persons who do not have a legitimate interest or responsibility relating to the case. Nothing in this subparagraph shall prohibit the disclosure or sharing of information between a foster parent, custodial, private facility, or governmental entity for the protection of any child. A violation of this subparagraph is a Class B misdemeanor;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) However, under no circumstances shall a child committed under KRS Chapter 620 be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime, as that term is defined in Section 5 of this Act, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime;

(f) Treated as provided in KRS Chapter 645;

(g)~~[(f)]~~ Following the transfer or placement of a child pursuant to paragraphs (b), (c), (d),~~[-or]~~ (e), or (f) of this subsection, the Department of Juvenile

1 Justice or the cabinet shall, within fourteen (14) days, excluding weekends
2 and holidays, give written notice to the court of the transfer, the placement,
3 and the reasons therefor.

4 (2) No child ten (10) years of age or under shall be placed in a facility operated by the
5 Department of Juvenile Justice for children adjudicated as public offenders, except
6 that a child charged with the commission of a capital offense or with an offense
7 designated as a Class A or Class B felony may be detained in a state-operated
8 detention facility when there is no available less restrictive alternative.

9 (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in
10 the home of the child's parents, the child shall not be removed except in accordance
11 with the following standards and procedures:

12 (a) If the social service worker believes that the committed child continues to be
13 dependent, neglected, or abused, but immediate removal is unnecessary to
14 protect the child from imminent death or serious physical injury, the casework
15 situation and evidence shall be reviewed with his supervisor to determine
16 whether to continue work with the family intact or to remove the child. There
17 shall be documentation that the social service worker, prior to the court
18 hearing, made an effort to contact the parents to inform them of the specific
19 problems that could lead to removal so they have an opportunity to take
20 corrective action. If the parents are unavailable or do not respond to attempts
21 to communicate, the specific circumstances shall be documented;

22 (b) If it appears that the child's health or welfare or physical, mental, or emotional
23 condition is subjected to or threatened with real and substantial harm and
24 there is not reasonably available an alternative less drastic than removal of the
25 child from the home, the cabinet shall petition the District Court to review the
26 commitment pursuant to KRS 610.120 in relation to the cabinet's intention to
27 remove the child from the parent's home. The petition shall set forth the facts

1 which constitute the need for removal of the child. The court shall serve notice
2 of the petition and the time and place of the hearing on the parents; however,
3 the social service worker shall also contact the parents to ensure that they
4 received the notice and are aware of the right to be represented by counsel. If
5 the parents' whereabouts are unknown, notice may be mailed to the last known
6 address of an adult who is a near relative. If the court fails to find that the
7 child's health or welfare or physical, mental, or emotional condition is
8 subjected to or threatened with real and substantial harm, or recommends a
9 less drastic alternative that is reasonably available, the child shall not be
10 removed from the parents' home;

11 (c) If a social service worker finds a committed, unattended child who is too
12 young to take care of himself, the social service worker shall make reasonable
13 efforts to arrange for an emergency caretaker in the child's home until the
14 parents return or fail to return within a reasonable time. If no in-home
15 caretaker is available for the child, the social service worker shall request any
16 appropriate law enforcement officer to take the child into protective custody.
17 If, after a reasonable time, it appears the child has been abandoned, the cabinet
18 shall petition the District Court to review the case; or

19 (d) If there exist reasonable grounds to believe that the child is in danger of
20 imminent death or serious physical injury or is being sexually abused and that
21 the parents are unable or unwilling to protect the child, the social service
22 worker shall, with the assistance of a law enforcement officer, immediately
23 remove the child prior to filing a petition for review. Within seventy-two (72)
24 hours after the removal, the cabinet shall file a petition for review in District
25 Court pursuant to KRS 610.120 with a request for an expeditious hearing. If
26 the court fails to find that the child's health or welfare or physical, mental, or
27 emotional condition is subjected to or threatened with real and substantial

1 harm, or recommends a less drastic alternative that is reasonably available, the
2 child shall be returned to the parents' home.

3 (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the
4 juvenile court of the county of placement with the conditions of supervised
5 placement of each child placed in that county from one (1) of the residential
6 treatment facilities operated by the Department of Juvenile Justice or the cabinet.
7 Notice of the conditions of such placement may be made available by the court to
8 any law enforcement agency.

9 (5) The person in charge of any home to which a child is probated, and the governing
10 authority of any private facility or agency to which a child is committed, shall make
11 such reports to the court as the court may require, and such reports as the
12 Department of Juvenile Justice or the cabinet may require in the performance of its
13 functions under the law. The Department of Juvenile Justice or the cabinet shall
14 have the power to make such visitations and inspections of the homes, facilities, and
15 agencies in which children who have committed public offenses have been placed
16 as it deems necessary to carry out its functions under the law.

17 (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer
18 summary to the person in charge of any foster home or any governing authority of
19 any private facility or agency in which the Department of Juvenile Justice or the
20 cabinet has placed a child. The written summary shall include, at a minimum,
21 demographic information about the child, a narrative statement detailing the child's
22 prior placements, the length of time the child has been committed, a description of
23 the services and assistance provided to the child or the child's family since the most
24 current case plan, a copy of the current case plan for the child and the child's family,
25 and a copy of the child's medical and educational passport, if available, provided
26 that no information shall be provided that violates any statutory confidentiality
27 requirements. The transfer summary shall state whether the child placed is a

1 juvenile sexual offender as defined in KRS 635.505(2), and include information
2 required under subsection (1) of this section. The transfer summary shall be
3 provided by the Department of Juvenile Justice if it is responsible for the child, or
4 the cabinet if it is responsible for the child, within seven (7) days of the placement
5 of the child with the person, agency, or facility providing care to the child.

6 (7) The Department of Juvenile Justice may assist the courts in placing children who
7 have committed public offenses in boarding homes, and, under agreements with the
8 individual courts, may assume responsibility for making such placements. Counties
9 may pay or contribute towards the expenses of maintaining such children and, to the
10 extent authorized by the fiscal court, the Department of Juvenile Justice may incur
11 obligations chargeable to the county for such expenses.

12 Section 51. KRS 620.090 is amended to read as follows:

13 (1) If, after completion of the temporary removal hearing, the court finds there are
14 reasonable grounds to believe the child is dependent, neglected or abused, the court
15 shall issue an order for temporary removal and shall grant temporary custody to the
16 cabinet or other appropriate person or agency. Preference shall be given to available
17 and qualified relatives of the child considering the wishes of the parent or other
18 person exercising custodial control or supervision, if known. The order shall state
19 the specific reasons for removal and show that alternative less restrictive
20 placements and services have been considered. The court may recommend a
21 placement for the child.

22 (2) In placing a child under an order of temporary custody, the cabinet or its designee
23 shall use the least restrictive appropriate placement available. Preference shall be
24 given to available and qualified relatives of the child considering the wishes of the
25 parent or other person exercising custodial control or supervision, if known. The
26 child may also be placed in a facility or program operated or approved by the
27 cabinet, including a foster home, or any other appropriate available placement.

However, under no circumstance shall the child be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime as that term is defined in Section 5 of this Act, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime.

(3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.

(4) When the court issues a temporary order for the custody of a child, the court may order that, within two (2) weeks, arrangements be made for the child to receive a thorough medical, visual, and dental examination by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.

(5) The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest.

Section 52. KRS 620.230 is amended to read as follows:

(1) For each child placed in the custody of the cabinet by an order of commitment, the cabinet shall file a case permanency plan for the child with the court and send a

1 copy to the Administrative Office of the Courts Citizen Foster Care Review Board
2 Program as soon as the plan is prepared but no later than thirty (30) days after the
3 effective date of the order. Notwithstanding the provisions of KRS 620.090(5), if a
4 child remains in the temporary custody of the cabinet for longer than forty-five (45)
5 days and if a request is submitted by the Administrative Office of the Courts Citizen
6 Foster Care Review Board Program, the cabinet shall provide a copy of the case
7 permanency plan for the child.

8 (2) The case permanency plan shall include, but need not be limited to:

- 9 (a) A concise statement of the reasons why the child is in the custody of the
10 cabinet;
- 11 (b) A statement of the actions which have been taken with regard to the child to
12 the date of the plan;
- 13 (c) A statement of the proposed actions which may be taken or are contemplated
14 with regard to the child during the next six (6) months and during the entire
15 duration of the time the child is in the custody of the cabinet;
- 16 (d) Contemplated placements for the child;
- 17 (e) If the child is placed outside the home, reasons why the child cannot be
18 protected adequately in the home, the harms the child may suffer if left in the
19 home, factors which may indicate when the child can be returned to the home,
20 and efforts the cabinet or others are making to return the child to the home;
- 21 (f) If the child is placed outside the home, the steps that the cabinet will take to
22 minimize the harm to the child as a result of the action, both at the time of
23 removal and on a long-term basis;
- 24 (g) A description of the type of home, child-caring facility, child-placing agency
25 or facility in which the child is to be placed or has been placed, and a
26 statement why the placement is appropriate for the child, including but not
27 limited to:

- 1 1. Age;
- 2 2. Educational needs;
- 3 3. Medical needs;
- 4 4. Emotional needs;
- 5 5. Relationship with parents; and
- 6 6. Number of children the home is authorized to care for and the number of
- 7 children currently residing in the home;
- 8 (h) If the placement is outside the child's original county of residence,
- 9 documentation that no closer placement is appropriate or available, and the
- 10 reasons why the placement made was chosen;
- 11 (i) A description of the services for the child and his family to be provided or
- 12 arranged by the cabinet to facilitate the return of the child to his own home or
- 13 to another permanent placement;
- 14 (j) A list of objectives and specific tasks, together with specific time frames for
- 15 each task, for which the parents have agreed to assume responsibility,
- 16 including a schedule of regular visits with the child;
- 17 (k) A projected schedule of time intervals by which each of the services,
- 18 objectives, and tasks outlined in the case permanency plan should be
- 19 accomplished and a schedule of time intervals which have already been
- 20 accomplished or are in the process of accomplishment;
- 21 (l) If the child is to remain at home, a description of the potential harm which
- 22 could befall the child and measures that are being taken to prevent or
- 23 minimize such harm; and
- 24 (m) If the child is to remain at home, reasons why he cannot be placed in foster
- 25 care or why such care is not needed.

26 **(3) Under no circumstance shall a child be placed in a home, facility, or other shelter**
 27 **with a child who has been committed to the Department of Juvenile Justice for**

1 commission of a sex crime as defined in Section 5 of this Act, unless the child
 2 committed for the commission of a sex crime is kept segregated from other
 3 children in the home, facility, or other shelter that have not been committed for
 4 the commission of a sex crime.

5 Section 53. KRS 635.527 is amended to read as follows:

6 ~~[Any other statute to the contrary notwithstanding,]~~Communications made in the
 7 application for or in the course of a child sexual offender's diagnosis and treatment in the
 8 program, between a sexual offender or member of the sexual offender's family and any
 9 employee of the department who is assigned to work in the program, or any approved
 10 provider as defined in Section 5 of this Act, shall be privileged from disclosure in any
 11 civil or criminal proceeding, other than proceedings to determine the sentence, unless
 12 the sexual offender consents in writing to the disclosure or the communication is related
 13 to an ongoing criminal investigation. The privilege created by this section shall not
 14 extend to disclosures made for the purpose of determining whether the sexual offender
 15 should continue to participate in the program. The provisions of KRS 620.030 shall not
 16 apply to a communication made, received, or overheard if the communication is made
 17 pursuant to this section~~[, to any communication regarding conduct in which the sexual~~
 18 ~~offender was not a participant, or to any disclosure involving a homicide].~~ The child
 19 sexual offender shall be informed in writing of the limits of the privilege created by this
 20 section.

21 Section 54. KRS 635.510 is amended to read as follows:

- 22 (1) A child, thirteen (13) years of age or older at the time of the commission of the
 23 offense, shall be declared a juvenile sexual offender if the child has been
 24 adjudicated guilty of an offense listed in KRS 635.505(2)(a), (b), (c), (d), (e), or (f).
 25 (2) (a) A child, less than thirteen (13) years of age, may be declared a juvenile sexual
 26 offender if the child has been adjudicated guilty of an offense listed in KRS
 27 635.505(2).

1 (b) Any child, thirteen (13) years of age or older, may be declared a juvenile
 2 sexual offender if the child has been adjudicated guilty of an offense listed in
 3 KRS 635.505(2)(g).

4 (3) Upon final adjudication by the juvenile court under subsection (2) of this section,
 5 the juvenile court judge shall order a juvenile sexual offender assessment to be
 6 conducted on the child by the Department of Juvenile Justice treatment program
 7 or by a qualified professional approved by the program which shall recommend
 8 whether the child be declared a sexual offender and receive sexual offender
 9 treatment. Upon receipt of the findings of the assessment, the juvenile court judge
 10 shall determine whether the child shall be declared a juvenile sexual offender, and,
 11 if so, shall initiate a referral to the Department of Juvenile Justice treatment
 12 program for treatment.

13 Section 55. KRS 635.515 is amended to read as follows:

14 (1) A child declared a juvenile sexual offender shall be committed to the custody of the
 15 Department of Juvenile Justice and shall receive sexual offender treatment for not
 16 more than three (3) years, except that this period of sexual offender treatment may
 17 be extended for one (1) additional year by the sentencing court upon motion of
 18 the Department of Juvenile Justice, and the juvenile sexual offender shall not

- 9 (g) That the licensee has violated any of the provisions of this chapter, or any of
10 the administrative regulations of the board;
- 11 (h) That the licensee failed to attend and complete annual continuing chiropractic
12 education courses as provided in KRS 312.175;
- 13 (i) That the licensee failed to provide a complete copy of the patient's medical
14 records or an itemized statement to the patient upon request, pursuant to KRS
15 422.317, within ten (10) business days; or
- 16 (j) That the chiropractor failed to provide notice of a change in address or change
17 in the name and address of the facility where the chiropractor practices as
18 required by KRS 312.145(4).
- 19 (2) Unprofessional conduct shall include any departure or the failure to conform to the
20 minimal standards of acceptable chiropractic practice or the willful or careless

22 actual injury need not be established. Unprofessional conduct shall include, but not
23 be limited to, the following acts of a chiropractor:
 - 24 (a) Gross ignorance of, or incompetence in, the practice of chiropractic;
 - 25 (b) Performing unnecessary services;
 - 26 (c) Charging a patient an unconscionable fee or charging for services not

11 plan; or advertising a fee or charge for a service or treatment different from
12 the fee or charge the licensee submits to a third-party payor for that service of

- 16 (g) Accepting for services rendered assigned payments from any third-party payor
17 as payment in full, if the effect is to eliminate the need for payment by the
18 patient of any required deductible or copayment applicable in the patient's
19 health benefit plan, or collecting a fee or charge the licensee submits to a
20 third-party payor for that service or treatment. However, in instances where
21 the intent is not to collect excessive remuneration from a third-party payor but
22 rather to provide services at a reduced rate to a patient unable to afford the
23 deductible or copayment, the services may be performed for a lesser charge or
24 fee. The third-party payor shall be informed by the licensee of the reduced
25 charge; or

5 (3) Upon receipt and due consideration of any charges, the board upon an affirmative
 6 vote shall determine whether the nature and quality of the charges are such that
 7 further investigation or initiation of disciplinary proceedings against the charged
 8 licensee is indicated. If disciplinary proceedings are not warranted, the charges shall
 9 be dismissed with or without prejudice. If the board determines that disciplinary
 10 proceedings are appropriate, the case may be resolved informally by agreed order or
 11 set for hearing to be conducted in accordance with KRS Chapter 13B.

12 (4) Except for revocation for nonrenewal, no license shall be revoked or suspended
 13 without an opportunity for a hearing. The board may at any time proceed against a
 14 licensee on its own initiative either on the basis of information contained in its own
 15 records or on the basis of information obtained through its informal investigation.

16 (5) If the board substantiates that sexual contact occurred between the chiropractor and
 17 a patient while the patient was under the care of or in a professional relationship
 18 with the chiropractor, the chiropractor's license may be revoked or suspended with
 19 mandatory treatment of the chiropractor as prescribed by the board. The board may
 20 require the chiropractor to pay a specified amount for mental health services for the
 21 patient which are needed as a result of the sexual contact.

22 Section 60. KRS 314.091 is amended to read as follows:

23 (1) The board shall have power to reprimand, deny, limit, revoke, probate, or suspend
 24 any license or credential to practice nursing issued by the board or applied for in

2 practice nursing;

14 contact as defined in KRS 510.010(7) with a patient while the patient was
15 under the care of the nurse;
- 16 (d) Has negligently or willfully acted in a manner inconsistent with the practice of
17 nursing;

19 causes, including but not limited to, being unable to practice nursing with
20 reasonable skill or safety;

- 22 (g) Has misused or misappropriated any drugs placed in the custody of the nurse
23 for administration, or for use of others;

25 essential entries on essential records;
- 26 (i) Has a license or credential to practice as a nurse denied, limited, suspended,
27 probated, revoked, or otherwise disciplined in another jurisdiction on grounds

2 revoked, or otherwise disciplined in this Commonwealth, including action by
3 another jurisdiction for failure to repay a student loan;

4 (j) Has violated any of the provisions of this chapter;

5 (k) Has violated any lawful order or directive previously entered by the board;

6 (l) Has violated any administrative regulation promulgated by the board; or

7 (m) Has been listed on the nurse aide abuse registry with a substantiated finding of
8 abuse, neglect, or misappropriation of property.

9 (2) All hearings shall be conducted in accordance with KRS Chapter 13B. A suspended
10 or revoked license or credential may be reinstated at the discretion of the board, and
11 in accordance with regulations promulgated by the board.

12 (3) The executive director may issue subpoenas to compel the attendance of witnesses
13 and the production of documents in the conduct of an investigation. The subpoenas
14 may be enforced by the Circuit Court as for contempt. Any order or subpoena of the
15 court requiring the attendance and testimony of witnesses and the production of
16 documentary evidence may be enforced and shall be valid anywhere in this state.

24 (7) If the board substantiates that sexual contact occurred between a nurse and a patient
25 while the patient was under the care of or in a professional relationship with the
26 nurse, the nurse's license or credential may be revoked or suspended with
27 mandatory treatment of the nurse as prescribed by the board. The board may require

1 the nurse to pay a specified amount for mental health services for the patient which
2 are needed as a result of the sexual contact.

4 (1) The board may suspend, revoke, or refuse to issue or renew a license; may accept an
5 assurance of voluntary compliance; restrict, or place a credential holder on
6 probation; or issue an administrative reprimand or private admonishment upon
7 proof that the credential holder has:

8 (a) Committed any act involving moral turpitude, dishonesty, or corruption,
9 relating to the practice of psychology, whether the act constitutes a crime or
10 not. If the act constitutes a crime, conviction in a criminal proceeding is not a
11 condition precedent to disciplinary action. Upon conviction of such a crime,
12 the judgment and sentence is presumptive evidence at the ensuing disciplinary
13 hearing of the guilt of the licensee or applicant of the crime described in the
14 indictment or information and of the person's violation of the statute on which
15 it is based. For the purpose of this subsection, conviction includes all

- 16 (m) Been convicted of any misdemeanor or felony relating to the practice of

- 19 conviction and all proceedings in which the sentence has been deferred or
- 20 suspended;
- 21 (n) Physically abused or had sexual contact with a patient, client, student, or

- 6 patients or clients by reason of illness, misuse of drugs, narcotics, alcohol,
- 7 chemicals, or any other substance, or as a result of any mental or physical
- 8 condition; or
- 9 (s) Failed to comply with the requirements of the board for continuing education.
- 10 (2) Private admonishment shall not be subject to disclosure to the public under KRS
- 11 61.878(1)(l) and shall not constitute disciplinary action, but may be used by the
- 12 board for statistical purposes or in subsequent disciplinary action against the
- 13 credential holder or applicant.
- 14 (3) No unlawful act or violation of any provision of this chapter by any credential
- 15 holder employed or supervised by a licensed psychologist shall be cause for the
- 16 revocation of the supervisor's license, unless the board finds that the licensed
- 17 psychologist had knowledge of it.
- 18 (4) Three (3) years from the date of a revocation, any person whose license has been
- 19 revoked may petition the board for reinstatement. The board shall investigate his or
- 20 her petition and may reinstate his or her license upon finding that the former
- 21 licensee has complied with the provisions of this chapter and administrative
- 22 regulations promulgated by the board and is again able to engage in the practice of
- 23 psychology with reasonable skill, competency, and safety to the public.
- 24 (5) The board may, at its own discretion, reconsider, modify, or reverse its probations,
- 25 suspensions, revocations, restrictions, or refusals to issue or renew licenses at any
- 26 time.

27 Section 62. KRS 335.150 is amended to read as follows:

- 1 (1) The board may revoke, suspend, or refuse to issue or renew; impose probationary or
2 supervisory conditions upon; impose an administrative fine; issue a written
3 reprimand or admonishment; or any combination of actions regarding any applicant,
4 license, or licensee upon proof that the applicant or licensee has:
- 5 (a) Committed any act of dishonesty or corruption. If the act constitutes a crime,
6 conviction in a criminal proceeding is not a condition precedent to
7 disciplinary action. Upon conviction of the crime, the judgment and sentence
8 creates a rebuttable presumption at the ensuing disciplinary hearing of the
9 guilt of the applicant or licensee. Conviction includes all instances in which a
10 plea of no contest is the basis of the conviction;
 - 11 (b) Misrepresented or concealed a material fact in obtaining a license, or in
12 reinstatement thereof;
 - 13 (c) Committed any unfair, false, misleading, or deceptive act or practice;
 - 14 (d) Been incompetent or negligent in the practice of social work;
 - 15 (e) Violated any state statute or administrative regulation governing the practice
16 of social work or any activities undertaken by a social worker;
 - 17 (f) Failed to comply with an order issued by the board or an assurance of
18 voluntary compliance;
 - 19 (g) Violated the code of ethical conduct as set forth by the board by promulgation
20 of an administrative regulation;
 - 21 (h) Been legally declared mentally incompetent;
 - 22 (i) Aided or abetted another person in falsely procuring or attempting to procure a
23 license;
 - 24 (j) Aided or abetted an unlicensed person in the practice of social work; or
 - 25 (k) Failed to comply with the requirements of KRS 214.615(1).
- 26 (2) Five (5) years from the date of a revocation, any person whose license has been
27 revoked may petition the board for reinstatement. The board shall investigate the

1 petition and may reinstate the license upon a finding that the individual has
2 complied with any terms prescribed by the board and is again able to engage
3 competently in the practice of social work.

4 (3) If an alleged violation is not of a serious nature and the evidence presented to the
5 board, after the investigation and appropriate opportunity for the licensee to
6 respond, provides a clear indication that the alleged violation did in fact occur, the
7 board may issue a written admonishment to the licensee. A copy of the
8 admonishment shall be placed in the permanent file of the licensee. The licensee
9 shall have the right to file a response within thirty (30) days of its receipt and to
10 have the response placed in the licensee's permanent file. Alternatively, the licensee
11 may file a request for a hearing, within thirty (30) days of the receipt of the written
12 admonishment. Upon receipt of this request, the board shall set aside the written
13 admonishment and set the matter for hearing.

14 (4) At any time during the investigative or hearing processes, the board may enter into
15 an agreed order with, or accept an assurance of voluntary compliance from, the
16 licensee that effectively satisfies the complaint.

17 (5) The board may reconsider, modify, or reverse its decision regarding probation,
18 suspension, or any other disciplinary action.

19 (6) Upon proof substantiating that sexual contact occurred between a social worker
20 licensed by the board and a client while the client was under the care of or in a
21 professional relationship with the social worker, the social worker's license may be
22 revoked or suspended with mandatory treatment of the social worker as prescribed
23 by the board. The board may require the social worker to pay a specified amount for
24 mental health services for the client which are needed as a result of the sexual
25 contact.

26 (7) The board may revoke the license of a social worker if the social worker has been
27 convicted of a misdemeanor offense under KRS Chapter 510 involving a client or a

1 felony offense under KRS Chapter 510, 530.064(1)(a), or 531.310, or has been
2 found to have had sexual contact as defined in KRS 510.010(7) with a client while
3 the client was under the care of the social worker.

4 Section 63. KRS 421.350 is amended to read as follows:

5 (1) This section applies only to a proceeding in the prosecution of an offense, including
6 but not limited to an offense under KRS 510.040 to 510.150, 529.030 to 529.050,
7 529.070, 530.020, 530.060, 530.064(1)(a), 531.310, 531.320, 531.370, and all
8 dependency proceedings pursuant to KRS Chapter 620, when the act is alleged to
9 have been committed against a child twelve (12) years of age or younger, and
10 applies to the statements or testimony of that child or another child who is twelve
11 (12) years of age or younger who witnesses one of the offenses included in this
12 subsection.

13 (2) The court may, on the motion of the attorney for any party and upon a finding of
14 compelling need, order that the testimony of the child be taken in a room other than
15 the courtroom and be televised by closed circuit equipment in the courtroom to be
16 viewed by the court and the finder of fact in the proceeding. Only the attorneys for
17 the defendant and for the state, persons necessary to operate the equipment, and any
18 person whose presence the court finds would contribute to the welfare and well-
19 being of the child may be present in the room with the child during his testimony.
20 Only the attorneys may question the child. The persons operating the equipment
21 shall be confined to an adjacent room or behind a screen or mirror that permits them
22 to see and hear the child during his testimony, but does not permit the child to see or
23 hear them. The court shall permit the defendant to observe and hear the testimony of
24 the child in person, but shall ensure that the child cannot hear or see the defendant.

25 (3) The court may, on the motion of the attorney for any party and upon a finding of
26 compelling need, order that the testimony of the child be taken outside the
27 courtroom and be recorded for showing in the courtroom before the court and the

finder of fact in the proceeding. Only those persons permitted to be present at the taking of testimony under subsection (3) of this section may be present during the taking of the child's testimony, and the persons operating the equipment shall be confined from the child's sight and hearing as provided by subsection (3) of this section. The court shall permit the defendant to observe and hear the testimony of the child in person, but shall ensure that the child cannot hear or see the defendant.

The court shall also ensure that:

(a) The recording is both visual and oral and is recorded on film or videotape or by other electronic means;

(b) The recording equipment was capable of making an accurate recording, the operator was competent, and the recording is accurate and is not altered;

(c) Each voice on the recording is identified; and

(d) Each party is afforded an opportunity to view the recording before it is shown in the courtroom.

(4) If the court orders the testimony of a child to be taken under subsection (2) or (3) of this section, the child may not be required to testify in court at the proceeding for which the testimony was taken.

(5) For the purpose of subsections (2) and (3) of this section, "compelling need" is defined as the substantial probability that the child would be unable to reasonably communicate because of serious emotional distress produced by the defendant's presence.

Section 64. KRS 421.510 is amended to read as follows:

(1) Where the victim is less than sixteen (16) years old and the crime is a sexual offense including violations of KRS 510.040 to 510.150, 530.020, 530.064(1)(a), 530.070, 531.310, 531.320, and 531.370, a speedy trial may be scheduled as provided in subsection (2) of this section.

(2) The court, upon motion by the attorney for the Commonwealth for a speedy trial,

1 shall set a hearing date on the motion within ten (10) days of the date of the motion.

2 If the motion is granted, the trial shall be scheduled within ninety (90) days from the
3 hearing date.

4 (3) In ruling on any motion or other request for a delay or continuance of the
5 proceedings, the court shall consider and give weight to any adverse impact the
6 delay or continuance may have on the well-being of a child victim or witness.

7 Section 65. KRS 532.060 is amended to read as follows:

8 (1) A sentence of imprisonment for a felony shall be an indeterminate sentence, the
9 maximum of which shall be fixed within the limits provided by subsection (2), and
10 subject to modification by the trial judge pursuant to KRS 532.070.

11 (2) The authorized maximum terms of imprisonment for felonies are:

12 (a) For a Class A felony, not less than twenty (20) years nor more than fifty (50)
13 years, or life imprisonment;

14 (b) For a Class B felony, not less than ten (10) years nor more than twenty (20)
15 years;

16 (c) For a Class C felony, not less than five (5) years nor more than ten (10) years;
17 and

18 (d) For a Class D felony, not less than one (1) year nor more than five (5) years.

19 (3) For any felony specified in KRS Chapter 510, KRS 530.020, 530.064~~(1)(a)~~, or
20 531.310, the sentence shall include an additional five (5)~~three (3)~~ year period of
21 conditional discharge which shall be added to the maximum sentence rendered for
22 the offense. During this period of conditional discharge, if a defendant violates the
23 provisions of conditional discharge, the defendant may be reincarcerated for:

24 (a) The remaining period of his initial sentence, if any is remaining; and

25 (b) The entire period of conditional discharge, or if the initial sentence has been
26 served, for the remaining period of conditional discharge.

27 (4) The actual time of release within the maximum established by subsection (1), or as

1 modified pursuant to KRS 532.070, shall be determined under procedures
2 established elsewhere by law.

3 Section 66. KRS 635.505 is amended to read as follows:

4 As used in this chapter, unless the context otherwise requires:

5 (1) The "treatment program" means a continuum of services provided in community
6 and institutional settings designed to provide early intervention and treatment
7 services for juvenile sexual offenders.

8 (2) A "juvenile sexual offender" as used in this chapter means an individual who was at
9 the time of the commission of the offense under the age of eighteen (18) years who
10 is not actively psychotic or mentally retarded and who has been adjudicated guilty
11 of or has been convicted of or pled guilty to:

12 (a) A felony under KRS Chapter 510;

13 (b) Any other felony committed in conjunction with a misdemeanor described in
14 KRS Chapter 510;

15 (c) Any felony under KRS 506.010 when the crime attempted is a felony or
16 misdemeanor described in KRS Chapter 510;

17 (d) An offense under KRS 530.020;

18 (e) An offense under KRS 530.064(1)(a);

19 (f) An offense under KRS 531.310; or

20 (g) A misdemeanor offense under KRS Chapter 510.

21 (3) A "juvenile sexual offender assessment" means an assessment of the child's
22 adolescent social development, medical history, educational history, legal history,
23 family history, substance abuse history, sexual history, treatment history, and recent
24 behaviors, which shall be prepared in order to assist the courts in determining
25 whether the child should be declared a juvenile sexual offender, and to provide
26 information regarding the risk for reoffending and recommendations for treatment.

27 (4) "Mentally retarded" as used in this section means a juvenile with a full scale

1 intelligent quotient of seventy (70) or below.

2 Section 67. KRS 635.545 is amended to read as follows:

- 3 (1) The Department of Juvenile Justice shall maintain on file the names and identities
4 of program participants for a period of fifteen (15) years following their
5 participation in the program. The names and identities shall not be disclosed except
6 for the purposes allowed in this section.
- 7 (2) On a biennial basis, the Department of Juvenile Justice shall request from the
8 Administrative Office of the Courts and the Kentucky State Police information
9 concerning whether any of the individuals who participated in the program have
10 been arrested, tried, convicted, or incarcerated for any offense under KRS Chapter
11 510, KRS 530.020, 530.064(1)(a), 531.310, or any other criminal offense.
- 12 (3) Each two (2) years the Department of Juvenile Justice shall compile the information
13 obtained and present it to the Governor, the Legislative Research Commission, and
14 the Supreme Court. The report shall not contain the names of any of the individual
15 participants but shall contain identifying information which may assist in the
16 evaluation of the program and in determination of whether participants have
17 engaged in further criminal behavior as juveniles or adults.

18 Section 68. KRS 610.320 is amended to read as follows:

- 19 (1) A special record book shall be kept by the court for all cases, to be known as the
20 "juvenile record," and the docket or calendar of such cases shall be called the
21 "juvenile docket."
- 22 (2) No probation officer, nor employee of a probation officer, shall, without the consent
23 of the District Judge sitting in juvenile session, divulge or communicate to any
24 persons other than the court, law enforcement, the Department of Juvenile Justice,
25 an officer of the court interested in the case, a member of the advisory board of the
26 court, or a representative of the cabinet, any information obtained pursuant to the
27 discharge of his duties, nor shall any record of the action of the probation officer be

1 made public except by leave of the District Judge; provided, that nothing in this
2 subsection shall prohibit the probation officer from divulging or communicating
3 such information to the court, to his colleagues or superiors in his own department,
4 or to another probation officer having a direct interest in the record or social history
5 of the child.

6 (3) All law enforcement and court records regarding children who have not reached
7 their eighteenth birthday shall not be opened to scrutiny by the public, except that a
8 separate public record shall be kept by the clerk of the court which shall be
9 accessible to the public for court records, limited to the petition, order of the
10 adjudication, and disposition in juvenile delinquency proceedings concerning a
11 child who is fourteen (14) years of age or older at the time of the commission of
12 the offense, and who is adjudicated a juvenile delinquent for the commission of an
13 offense that would constitute a capital offense or a Class A, B, or C felony if the
14 juvenile were an adult, or any offense involving a deadly weapon, or an offense
15 wherein a deadly weapon is used or displayed.

16 (4) Release of the child's treatment, medical, mental, or psychological records is
17 prohibited unless presented as evidence in Circuit Court. Release of any records
18 resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of
19 the Federal Social Security Act is also prohibited. Otherwise, the law enforcement
20 records shall be made available to the child, family, guardian, or legal representative
21 of the child involved. The records shall also be made available to the court,
22 probation officers, prosecutors, the Department of Juvenile Justice, and law
23 enforcement agencies or representatives of the cabinet. Records, limited to the
24 child's adjudication of delinquency, and disposition of a criminal activity covered by
25 KRS 610.345, shall also be made available to public or private elementary and
26 secondary school administrative, transportation, and counseling personnel, and to
27 any teacher to whose class the student has been assigned for instruction, subject to

1 the provisions of KRS 610.340 and 610.345.

2 ~~(5)~~~~(4)~~ Subject to the Kentucky Rules of Evidence, juvenile court records of
 3 adjudications of guilt of a child for an offense which would be a felony if
 4 committed by an adult shall be admissible in court at any time the child is tried as
 5 an adult, or after the child becomes an adult, at any subsequent criminal trial
 6 relating to that same person. Juvenile court records made available pursuant to this
 7 section may be used for impeachment purposes during a criminal trial, and may be
 8 used during the sentencing phase of a criminal trial. However, the fact that a
 9 juvenile has been adjudicated delinquent of an offense which would be a felony if
 10 the child had been an adult shall not be used in finding the child to be a persistent
 11 felony offender based upon that adjudication.

12 ~~(6)~~~~(5)~~ This section shall not relieve the probation officer or peace officer from
 13 divulging such facts as a witness in a trial or hearing involving any cases falling
 14 under KRS Chapters 600 to 645 or the production of juvenile records for use in the
 15 trial or proceedings.

16 ~~(7)~~~~(6)~~ This section shall not prohibit release of information regarding juvenile
 17 proceedings in the District Court which do not reveal the identity of the child or its
 18 parents or guardians, or which relate to the child's eligibility for services under Title
 19 IV-E or IV-B of the Federal Social Security Act. Release of the child's treatment,
 20 medical, mental, or psychological records is prohibited unless presented as evidence
 21 in Circuit Court.

22 Section 69. KRS 610.340 is amended to read as follows:

23 (1) (a) Unless a specific provision of KRS Chapters 600 to 645 specifies otherwise,
 24 all juvenile court records of any nature generated pursuant to KRS Chapters
 25 600 to 645 by any agency or instrumentality, public or private, shall be
 26 deemed to be confidential and shall not be disclosed except to the child,
 27 parent, victims, or other persons authorized to attend a juvenile court hearing

1 pursuant to KRS 610.070 unless ordered by the court for good cause.

2 (b) Juvenile court records which contain information pertaining to arrests,
3 petitions, adjudications, and dispositions of a child may be disclosed to
4 victims or other persons authorized to attend a juvenile court hearing pursuant
5 to KRS 610.070.

6 (c) Release of the child's treatment, medical, mental, or psychological records is
7 prohibited unless presented as evidence in Circuit Court. Any records
8 resulting from the child's prior abuse and neglect under Title IV-E or Title IV-
9 B of the Federal Social Security Act shall not be disclosed to victims or other
10 persons authorized to attend a juvenile court hearing pursuant to KRS
11 610.070.

12 (d) Victim access under this subsection to juvenile court records shall include
13 access to records of adjudications that occurred prior to July 15, 1998.

14 (2) The provisions of this section shall not apply to public officers or employees
15 engaged in the investigation of and in the prosecution of cases under KRS Chapters
16 600 to 645 or other portions of the Kentucky Revised Statutes. Any record obtained
17 pursuant to this subsection shall be used for official use only, shall not be
18 disclosed publicly, and shall be exempt from disclosure under the Open Records
19 Act, KRS 61.870 to 61.884.

20 (3) The provisions of this section shall not apply to any peace officer, as defined in
21 KRS 446.010(24), who is engaged in the investigation or prosecution of cases
22 under KRS Chapters 600 to 645 or other portions of the Kentucky Revised
23 Statutes. Any record obtained pursuant to this subsection shall be used for
24 official use only, shall not be disclosed publicly, and shall be exempt from
25 disclosure under the Open Records Act, KRS 61.870 to 61.884.

26 (4) The provisions of this section shall not apply to employees of the Department of
27 Juvenile Justice or cabinet or its designees responsible for any services under KRS

1 Chapters 600 to 645 or to attorneys for parties involved in actions relating to KRS
 2 Chapters 600 to 645 or other prosecutions authorized by the Kentucky Revised
 3 Statutes.

4 ~~(5)~~~~(4)~~ The provisions of this section shall not apply to records disclosed pursuant to
 5 KRS 610.320 or to public or private elementary and secondary school
 6 administrative, transportation, and counseling personnel, to any teacher or school
 7 employee with whom the student may come in contact, or to persons entitled to
 8 have juvenile records under KRS 610.345, if the possession and use of the records
 9 is in compliance with the provisions of KRS 610.345 and this section.

10 ~~(6)~~~~(5)~~ No person, including school personnel, shall disclose any confidential record
 11 or any information contained therein except as permitted by this section or other
 12 specific section of KRS Chapters 600 to 645, or except as permitted by specific
 13 order of the court.

14 ~~(7)~~~~(6)~~ No person, including school personnel, authorized to obtain records pursuant
 15 to KRS Chapters 600 to 645 shall obtain or attempt to obtain confidential records to
 16 which he is not entitled or for purposes for which he is not permitted to obtain them
 17 pursuant to KRS Chapters 600 to 645.

18 ~~(8)~~~~(7)~~ No person, including school personnel, not authorized to obtain records
 19 pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records
 20 which are made confidential pursuant to KRS Chapters 600 to 645 except upon
 21 proper motion to a court of competent jurisdiction.

22 ~~(9)~~~~(8)~~ No person shall destroy or attempt to destroy any record required to be kept
 23 pursuant to KRS Chapters 600 to 645 unless the destruction is permitted pursuant to
 24 KRS Chapters 600 to 645 and is authorized by the court upon proper motion and
 25 good cause for the destruction being shown.

26 ~~(10)~~~~(9)~~ As used in this section the term "KRS Chapters 600 to 645" includes any
 27 administrative regulations which are lawfully promulgated pursuant to KRS

1 Chapters 600 to 645.

2 Section 70. KRS 610.345 is amended to read as follows:

 4 youthful offender, the judge in the court in which the matter was tried shall direct
 5 the clerk to notify the superintendent of the public school district in which the child
 6 is enrolled or the principal of any private elementary or secondary school which the
 7 child attends of the adjudication and the petition and disposition of the case. The

 15 a violent offender under KRS 439.3401, or be a felony under KRS Chapter 218A,
 16 508, 510, or 527 if committed by an adult, but which would not classify him or her
 17 as a youthful offender, the judge in the court in which the matter was tried shall
 18 direct the clerk to notify within five (5) days of the order the superintendent of the
 19 public school district in which the child is enrolled or the principal of any private
 20 elementary or secondary school which the child attends of the charge, the
 21 adjudication, and the disposition of the case. The name of the complainant shall be
 22 deleted.~~[Upon written request of the authorized representative of the school district~~

15 (4) Notice of adjudication to a district superintendent referenced in subsections~~[(1),]~~
 16 ~~(2)[,]~~ and (3) of this section shall be released by the superintendent to the principal.
 17 A principal of a public or private school receiving notice of adjudication shall

 19 classroom instruction or counseling of the child and may release it to other school
 20 personnel as described in subsection (5) of this section, but the information shall
 21 otherwise be confidential and shall not be shared by school personnel with any other
 22 person or agency except as may otherwise be required by law. The notification in
 23 writing of the nature of the offense committed by the child and any probation

8 in which the child, who is committed to the department, is placed.
